

MCL: 380.1280f Approved Extensive Assessments for 17-18

An extensive assessment is an assessment that will be delivered to students who seem to display a deficiency, will provide a more in-depth look at student ability, will be more directly aligned to a specific skill, and will produce support for the placement of students into intervention tiers.

<b>Approved 2017-18 Extensive Assessments</b>	
Developmental Reading Assessment- 2 <sup>nd</sup> Edition (DRA2)	Iowa Assessments- Core Version
DIBELS Deep Comprehension, Fluency, and Oral Language	Lexia RAPID Assessment
DIBELS Deep Phonemic Awareness, Word Reading, and Decoding	Michigan Literacy Progress Profile (MLPP)
DIBELS Next Survey	NWEA MPG Skills Checklist
Fountas & Pinnell Benchmark Assessment System	Observation Survey of Early Literacy Achievement

In addition to selecting one initial assessment and at least one extensive assessment, a district may choose to build assessments using one of the two following item banks. These item banks will assist with building local assessments that can provide a better understanding of areas in which a student may need additional support.

- Fluence
- INSPECT
